Dear Geoff,

ADI site – Amendments to SREP 30

Thank you for your submission on draft Amendment No. 1 to Sydney Regional Environmental Plan No. 30 – St Marys (SREP 30). Your submission was forwarded to the Mayor and Councillors and also to the Department of Planning (DoP), the consent authority for the draft Plan.

A Council report was prepared for Council's Ordinary Meeting held on 6 February, 2006 and may be viewed on Council's web site by selecting "Your Council" and "Business Papers" at the following address:-

www.penrithcity.nsw.gov.au

At that meeting Council resolved that:-

1. The information contained in the report on ADI Site, Sydney Regional Environmental Plan No. 30 - St Marys - Draft Amendment No. 1 be received
2. Council make a written submission to the Department of Planning on the draft amendments to SREP 30 based on the recommended actions detailed in the report and Council also re-states its opinion that it favours a boundary smoothing process in order to support efficient Regional Park management.
3. ADI RAG be advised of Council's decision.

A written submission has now been prepared and sent to DoP.

I trust that this clarifies Council's position on the issues raised in your letter. Should you wish to discuss any of these matters I may be contacted on 4732-7723.

Yours faithfully,

Tony Crichton
Senior Environmental Planner
