Dear Geoff,

**ADI site, St Marys**

I refer to your recent letter to the Mayor and Councillors which discusses the Employment Development Strategy (EDS) for the ADI site.

The SREP 30 planning and development implementation framework sets out the obligations and performance objectives to be delivered for the ADI site. Reporting of achievements against all of the obligations and performance objectives has been, and will continue to be made, in accordance with that framework. Employment and economic development initiatives, such as the Skilling and Employment Centre, are further defined in the EDS.

The EDS was endorsed by the Department of Planning on 22 March 2005. The EDS Committee was formed to develop and monitor the Strategy for the whole of the ADI site.

A range of initiatives outlined in the EDS have already been advanced by Delfin Lend Lease. The Strategy proposes to deliver a target of 5,300 jobs within the Blacktown and Penrith local government areas.

The EDS Committee will continue to meet to monitor the implementation of the Strategy over the life of the development.

I trust that letter clarifies the matter for you.

Yours faithfully,

**Tony Crichton**
